UAH per thousand cubic meters excl. VAT			
		Intraday standardized product (SSP-ID) with transfer at an underground gas	UAH per thousand cubic meters excluding VAT / Euros per			

		storage (UGS) A short-term standardized product under which natural gas is sold or purchased during a gas day, subject to transfer at an underground gas storage facility (UGS) within that same gas day.	thousand cubic meters			
		"Day-ahead" standardized product (SSP-DA) with transfer at an underground gas storage (UGS) A short-term standardized product under which gas is sold or purchased during the gas day preceding the gas day of actual gas transfer, subject to terms for transfer at underground gas storage (UGS).	UAH per thousand cubic meters excluding VAT / Euros per thousand cubic meters			
2	Natural gas (MWh)	Natural gas sold via transfer at an entry/exit point on the international border of Ukraine's gas transmission system	Euros per MWh, excl. VAT			
3	Liquefied oil gas	Liquefied oil gas PBA	UAH per ton incl. (excl.) VAT			Liquefied oil gas Trading in exchange-traded commodities included in the list of products traded exclusively on an OTC market
		Liquefied oil gas (technical propane and butane mixture)	UAH per ton incl. (excl.) VAT			
		Liquefied oil gas Technical-grade butane	UAH per tonne, incl (excl.) VAT			

4	Oil products	Petroleum A-95	UAH per ton incl. VAT (differential in the currency of the position)			Oil products
		Petroleum A-92	UAH per ton incl. VAT (differential in the currency of the position)			
		Petroleum A-80	UAH per ton incl. VAT (differential in the currency of the position)			
		Diesel fuel	UAH per ton incl. VAT (differential in the currency of the position)			
		Fuel oil	UAH per ton incl. VAT (differential in the currency of the position)			
		Oil (distillation) road bitumen	UAH per ton incl. VAT (differential in the currency of the position)			
		Oil roofing bitumen	UAH per ton incl. VAT (differential in the currency of the position)			
		The product is highly aromatized by catalytic reforming installations	UAH per ton incl. VAT (differential in the currency of the position)			
		Petroleum solvent	UAH per ton incl. VAT (differential in the currency of the position)			
		Fraction contains petroleum	UAH per ton incl. VAT (differential in the currency of the position)			

		Water-hydrocarbon emulsion	UAH per ton incl. VAT (differential in the currency of the position)			
		Sediment of hydrocarbon raw materials of type A	UAH per ton incl. VAT			
		Sedimentation of hydrocarbon raw materials	UAH per ton incl. VAT			
		Organic mixed solvent (GRAS-C)	UAH per ton incl. VAT			
		A mixture of light and medium hydrocarbons oil and gas condensate	UAH per ton incl. VAT			
		A mixture of medium and heavy hydrocarbons oil and gas condensate	UAH per ton incl. VAT			
		Bituminous hydrocarbon mixture	UAH per ton incl. VAT			
		Ethanized/Propanized/Butanized Stable Gas Condensate	UAH per ton incl. VAT			
		Industrial oil	UAH per ton incl. VAT			
5	Oil	Oil	UAH per ton incl. (excl.) VAT (differential in the currency of the position)			Oil and gas condensate Trading in exchange-traded commodities included in the list of products traded exclusively on an OTC market
		Oil (crude)	UAH per ton incl. (excl.) VAT (differential in the currency of the position)			
6	Gas condensate	Gas condensate (stable / light hydrocarbons)	UAH per ton incl. (excl.) VAT (differential in the currency of			Oil and gas condensate Trading in

			the position)			exchange-traded commodities included in the list of products traded exclusively on an OTC market
7	Coal products	Hard coal, (thermal) Vdaf 18% - 35%	UAH per ton incl. (excl.) VAT			Coal products
		Hard coal, (thermal), Vdaf > 35%	UAH per ton incl. (excl.) VAT			
		Hard coal, (Coking coal), Vdaf > 35%	UAH per ton incl. (excl.) VAT			
		Hard coal (technological, household coal),Vdaf < 18%	UAH per ton incl. (excl.) VAT			
		Coal slurry	UAH per ton including (excluding) VAT			
8	Methyl tert-butyl ether (MTBE)	Methyl tert-butyl ether (MTBE)	UAH per ton incl. VAT (differential in the currency of the position)			Raw materials and other products
9	Methanol	Methanol	UAH per ton incl. VAT (differential in the currency of the position)			
10	Hydrocarbon raw materials	Hydrocarbon raw materials	UAH per tonne including VAT (differential in the currency of the item)			
		Heavy hydrocarbon emulsion	UAH per ton including VAT (differential in the currency of the item)			
11	Hydrocarbon raw materials of the gasoline-diesel fraction	Hydrocarbon raw materials of the gasoline-diesel fraction	UAH per ton incl. VAT (differential in the currency of the position)			

12	Broad fraction of light hydrocarbons (BFLH)	Broad fraction of light hydrocarbons (BFLH)	UAH per ton incl. VAT (differential in the currency of the position)			
13	Fertilizers	Ammonium nitrate	UAH per ton including VAT			Fertilizers
		Granulated ammonium sulfate	UAH per ton including VAT			
		NPK 15.15.15	UAH per ton including VAT			
14	Electricity	Base load incl. supply in the IPS of Ukraine trade zone	UAH per MWh excl. VAT			Electricity
		Peak load incl. supply in the trade zone "IPS of Ukraine"	UAH per MWh excl. VAT			
		Peak load on a non-working day incl. delivery in the trade zone "IPS of Ukraine"	UAH per MWh excl. VAT			
		Off-peak load incl. delivery in the trade zone "IPS of Ukraine"	UAH per MWh excl. VAT			
		Load of the special duty of supply in the trade zone "IPS of Ukraine"	UAH per MWh excl. VAT			
		Block position incl. supply in the trade zone "IPS of Ukraine"	UAH per MWh excl. VAT
