What happened:

On October 22, the resolution of the Cabinet of Ministers of Ukraine dated October 17, 2018, № 848 "On the implementation of an experimental project on the conducting auctions for the sale of subsoil use special permits through electronic trades" came into force.

What changes:

From now on, the State Service of Geology and Subsoil of Ukraine will conduct electronic auctions on sale of subsoil use permits in ProZorro.Sale.
